**Chapter 6 by Sylver1804**

Of that day in the world

When all perished

But I stood, For my country and for the pride

That cloudy day that all I ever had was lost

**Chapter 7 by Sylver1804****\*All light fades\***

All light fades

I try to fight but I just fall

I see the past

and all we lost

I stood up

now I collapse

the world we knew is gone

**Chapter 8 by Kitiōn**

When I fall

Will I shatter

Into splintered reflections

Your reflection

Our memory

falling together

To welcome a cloud

and your reflection fade

Within my memory

Total stillness

Endless sleep

Darkness with no end

Void within void

My vacuum of silence

Our singularity

the end
